

A FRAUDULENT CHAPTER 7 BANKRUPTCY (BKPT. CT. FL. TAMPA DATE 07/11/2014 REF # 1408053CED IS LISTED ON MY CREDIT REPORT AND IS FRAUD!

4. I have had money stolen from my food stamps (March/ April /May 2015 and went without many items to eat while fighting the theft of funds/ the fraudulent bankruptcies and all this criminal activity.
5. I had to file legal documents and paperwork enlisting assistance in lawyers and legal companies to try rectify these horrid crimes against me! Paperwork/ documents included: (petition to compel)/(police reports for theft of money and id and fraud) (reports to social security office)(reports to banks)(id theft paperwork to all three credit bureaus). I had to file adult protective service abuse reports to stop the continued harassment and abuse. I even attempted to file a restraining order to stop the abuse/harm this has caused in my life!
6. I have been denied credit from my bank and the equity line of credit was not put through because of the damage the filings of these fraudulent bankruptcies have had on my credit reports.
7. This entire situation has compromised all my direct deposit/ bill payments and almost cost me my bank account (that I have had in good standing for the past 7 years). I had to sell an old roommates bike/ old golf clubs and not be able to tithe the month of march 2015.
8. I had to use unnecessary expense, time, and even travel to try to locate additional legal defense assistance to protect me from the people who were hurting me.
9. I had to use what little finances I had to create duplicates of documents and distribute those to people who I hoped will help to stop the fraud and abuse.
10. I have had to hire multiple additional companies to continue the disputes with the credit bureaus. I have had to complete numerous online and phone disputes dealing directly with Experian / Equifax/Transunion/ Lifelock and my bank just to try to stop the injustice and remove these fraudulent bankruptcies!

These actions were and are still in violation of the bankruptcy code and grounds for the immediate dismissal and removal of the chapter 7 bankruptcy for Mary Jean Ziska on my public records and my credit reports.

10. As per violating the legal rules for filing a bankruptcy www.uscourts.gov :

“ the court may revoke a chapter 7 discharge on the request of the trustee – a creditor – or the us trustee if the discharge WAS OBTAINED THROUGH FRAUD BY the DEBTOR ..MAKES A MATERIAL MISSTATEMENT OF FAILS TO PROVIDE DOCUMENTS OR OTHER INFORMATION IN CONNECTION WITH THE DEBTORS CASE (11 usc 727)

These entire bankruptcy filings have been full of FRAUD! I have been demanding and filing disputes with the credit reporting agencies, with the department of justice fraud agencies with the bankruptcy trustee agencies in both Washington and Tampa! I have reported this fraud to lawyers/ to credit bureaus/to agencies and to every government agency who will listen! I have attempted to contact any and every proper agency with the authority to stop the bankruptcies and when they were not
